INTRODUCTION

The Vallabh Vidyanagar that we see today is vastly different from what it was about seven decades ago. With inspiration from Sardar Patel, the son of the soil, Bhaikaka and Bhikhabhai founded the Charutar Vidya Mandal, in order to bring education to this central Gujarat hinterland. At present Vallabh Vidyanagar is in the global educational map thanks to the efforts of our visionaries. This college which was named after Vitthalbhai Patel, the eminent freedom fighter who became the first Indian President of the Central Legislative Assembly during the British regime. Thus began the process that has gained strength with the setting up of more and more institutions catering to all the fields of study for all levels and branches - from KG to PG. This barren wilderness has blossomed into a unique educational hub. This was achieved despite a host of challenges. The credit of establishing the Sardar Vallabh Vidyapith(Present day Sardar Patel University) within eight years of starting CVM also goes to these great visionaries.

V P & R P T P Science College has a rich legacy .It also had been visited by luminaries like Lord and Lady Mount batten, Jawaharlal Nehru, Sardar Patel, Dr Raja Ramanna, Dr C V Raman Prithvi Raj Kapoor and many more. It has lived up to its mission of providing quality education to the rural population in the field of pure sciences. Our alumni are placed in important positions. It was also recognized as the best Science College of Gujarat for three times. It has produced vice chancellors, professors, entrepreneurs, software professionals, defense personnel and even spiritual leaders.

During the first NAAC Accreditation we were awarded B++ Grade which we improved to A in the second cycle in 2013.We are also among the few colleges in the entire state to have been recognized as a College with Potential for Excellence for the second time in Phase II.

Since 2013, the college has remained active in all the fields with the aim of breaking in to the bracket of top colleges of India. We have initiated many

Programmes for the benefit of students like Orientation programme for new students (along with their parents) on the very first day of the college, .On the same day a special programme is arranged for SC,ST, OBC and minority students to make them aware about various Govt Schemes for them, mass SMS system for timely information, a robust counselling system with a special time allotted for counselling every week, use of a mobile application to enable students to be connected with different faculties , facilitating the students to appear for Cambridge Placement test, free IAS coaching classes, conducting ADD on Courses, talks by experts for guardians/parents about communicating & understanding teens, industrial visits, summer training, on line students' feedback, exit meeting for third year students, regular alumni meets, arranging for guest lecturers from various fields, signing for MOUs with many industries to facilitate hands on industrial exposure to students, MOUs with A graded colleges for faculty and student exchange and for understanding the best practices of these colleges, organizing of various workshops, events in collaboration with sister institutes in the campus, regular NCC for both boys and girls, NSS camps , medical check up., various faculty development programmes etc are being held regularly.

We are on the verge of going for the third cycle of NAAC Reaccreditation, and we are confident of an even better grade in view of the fact that in the recent NIRF All India Rankings, the college was placed 61st in Colleges, 11th in pure sciences category, and third in Gujarat.

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC.
